
Invitation to BSTU Petro-Gas Chemistry Forum

From : BSTU International Office <inter@belstu.by>
Subject : Invitation to BSTU Petro-Gas Chemistry Forum

Thu, Sep 22, 2022 12:31 PM

 1 attachment

Dear colleagues,

this is to inform you that **Belarusian State Technological University (Minsk, Belarus)** jointly with Belarusian State Concern for Oil and Chemistry (Belneftekhim) and the Ministry of Education of the Republic of Belarus will be holding **V International Science and Technology Forum on Chemical Engineering and Oil and Gas Processing (Petro-Gas Chemistry-2022)** on **November 2-4, 2022**. The event is aimed at bringing together universities, research institutes, businesses, industrial and financial organizations of the Republic of Belarus, Russian Federation, CIS and abroad countries.

The Forum will be attended by the CIS Executive Committee, the Standing Committee of the Union State of Belarus and Russia, the National Academy of Sciences of Belarus, the Russian Academy of Sciences, the State Committee for Science and Technology.

The Forum is aimed at promoting contacts and exchange of scientific and technological advances among professionals engaged in chemical and petrochemical industries.

The Forum is held annually and attended by numerous experts from Belarus, Russia, Latvia, Romania, Kuwait, Kazakhstan, Ukraine, Kyrgyzstan, Uzbekistan, Belgium, Lithuania, Iran, Slovakia, Poland. During the Forum, the organizations of "Belneftekhim" Concern present samples of their innovative products, research institutes and universities showcase their latest developments in the field petrochemical technology and propose solutions to the environmental problems of petrochemical industry.

The Forum will provide excellent networking opportunities for you and your new and existing partners and serve as a good platform for discussing cooperation prospects and presenting your achievements (see the draft Forum agenda attached).

We kindly invite you and your colleagues to participate in the Forum events.

Yours Sincerely,

International Relations Office

Belarusian State Technological University
Sverdlova Str. 13a
220006 Minsk
