**Subject:** D-8 and ISC Joint Webinar on Introduction of ISC's Services to the D-8 Member States, 10 July 2023

The D-8 Secretariat presents its compliments to the Ministries of Foreign Affairs of the D-8 Member States and has the honour to inform the latter that the D-8 Secretariat and Islamic World Science & Technology Monitoring and Citation Institute (ISC) will organize a joint webinar on "The Introduction of ISC's Services to Experts, Researchers and Policymakers of the D-8 Member States" on 10 July 2023, 11:30-13:45 Shiraz Time/GMT+3:30 (11.00-13.15 Istanbul time). The Agenda and the brief on the Webinar are enclosed herewith.

The Secretariat has further the honor to underline that during the scheduled webinar, ISC, the entity supporting the D-8 Map of Scientific Excellence and Collaboration (D8-MSEC), will brief the esteemed attendees on its services from which the D-8 Member States could potentially benefit, given their needs and priorities.

The Secretariat also has the honour to request the good offices of the Ministries to forward this information to the relevant ministries or agencies in their respective countries and to enjoin them to participate in the abovementioned webinar, which will be accessible via the following link (Adobe Connect platform): <https://vc.isc.ac/oisc>.

The D-8 Secretariat avails itself of this opportunity to renew to the Ministries of Foreign Affairs of the D-8 Member States the assurances of its highest consideration.

*Encl.: as stated.*
